**The County Committee.**  
The Belmont Republican county committee will meet to-morrow at St. Clairsville to fix the time and place to hold the county convention. ## Death of Hoge Shively.

Hoge Shively, one of the best known printers in Wheeling, expired at 6:10 yesterday morning, at his home on the Island, after an illness of about two weeks. The deceased had been in fairly good health until recently, when he was attacked with kidney trouble, the cause of his death. Hoge, as he was known, was foreman of the Register job room, and a man whom all admired for his many excellent qualities. He was a member of the Knights of Pythias, who will have charge of the funeral, which occurs next Sunday.

## Another Cave-in.

Further cave-ins of the Wheeling Bridge and Terminal's tunnel at the head of Twenty-seventh street, occurred yesterday morning, though of no serious consequence other than further delaying the work of clearing away the rubbish. Since Monday morning a large force of men has been working night and day removing the debris, and the tunnel will hardly be open for traffic this week. One of the two box cars imprisoned in the tunnel has been removed, but efforts to draw out the other by means of an engine, failed, several chains being snapped in the attempt. Considerable repairs to the roof will be necessary after the tunnel is cleaned out, as the supporting timbers at the entrance are wrecked.

## IT IS PASSED.

Council Holds a Special Meeting and Passes Ordinance

## FOR YEAR'S APPROPRIATIONS.

There was Some Difficulty in Securing a Quorum, but Shortly Before 9 O'Clock the Body was at Work—Democratic Members of the Second Branch Continue Their Obstruction: Tactics by Voting Against the Ordinance.

A special meeting of council was held last night to consider the annual appropriation ordinance, which was objected to at the regular meeting on Tuesday night. Great difficulty was experienced in getting a quorum in the first branch, and it was long after the appointed hour before the chosen nine were rallied.

The appropriations were passed about as recommended by the committee on finance.

At 8:25 o'clock twenty members of the second branch answered to their names, and the first branch lacked one of obtaining a quorum. Mr. Ahl then moved to adjourn until the next regular meeting of council. The motion was lost, there being but the seven Democrats to vote aye. Following the result Messrs. Kaiser, Weisgerber, Gartley and Ahl withdrew. President Chew seeing the ruse ordered officer McGuigan to prevent further withdrawals, and Ahl returned.

At 8:42, Mr. Williams was corralled and the first branch got a bare quorum. The round up in the first included Messrs. Ebeling, Baird, Strobel, Bachman, Weidenschmidt, Davidson, Schmidt, Zwicker and Williams. The absentees were: Haller, Hazlett, Horkheimer, List, McKelvey, McLeure and Otto.

The second roll call in the second branch, or "Kindergarten" showed present: Ahl, Beckett, Berry, Bradbury, Bronstrop, Busch, Connolly, Fair, Habne, Higgins, Kindelberger, Knoke, McDonald, McFadden, Meehan, Travis, Watson, Weisgerber and Mr. President. The absentees were: Megrall, Meyer, Miller, Nesbitt, Arndt and Paul.

Clerk Watkins read the annual appropriation ordinance for the first time. Before its second reading, petitions were presented from residents of the Second, Third and Fourth wards. The petitions related to changing the distributions from those allotted in the appropriations as recommended by the finance committee.

Mr. McDonald's constituents wanting their appropriation in a more specific form, were made happy by nearly a unanimous vote. A clash of arms resulted between President Chew, who had left the chair, and Messrs. Beckett and Fair, in the distribution for the Third ward. Mr. Chew wanted the appropriation for Fifteenth street go as it was, and spoke at length in favor of it. His opponents wanted a slice of it for the improvement of Jacob street between Thirtieth and Fourteenth. Mr. Chew's forces won the day—12 to 7.

Mr. Hae failed to get an alley paved in his bailiwick—the Fourth ward. Mr. Meehan, of the Sixth, met a similar fate, with a similar petition.

The ordinance was adopted by a vote of 15 to 5. The five objecting were: Ahl, Hae, Meehan, Watson and Weisgerber.

After the vote, Mr. Hae introduced a resolution favoring the passage of the free text book resolution, now pending before the board of education. The resolution was unanimously adopted.

The first branch concurred in the adoption of the appropriation ordinance, and adjourned at 10:15 p. m.

## Juvenile Billiards.

The members of the Carroll Club were treated to a rare exhibition of billiard playing last night by the boys experts, Willie and Frank Hoppe, both under ten years of age. A large crowd witnessed their remarkable performance and the boys received applause for each difficult shot, and they were many. The Fort Henry Club has engaged them for this evening, and they will score another ovation.
